## Operation Christmas Child

With the Auction behind us, it's now push time for our service project. We need as many items as you can bring before November 18, as that is when the boxes need to be packed for shipping. Our big goal is to fill 150 shoeboxes!

We are having a competition between the classes to see which class can collect the most items for OCC! Please see your child's class assignment below! You can also donate "WOW" items as well (a doll, soccer ball and pump, stuffed animal, etc.). Items can be out of the package, but must be new. We already have boxes, so no need to donate shoeboxes this year. The class who donates the most items will get an extra 20 minute recess!! Thank you for every donation.

PS3 and PS4: Toy cars, stuffed animals (small enough to fit in a shoebox), small toys

K/1: School supplies (pencils, coloring books, pencil sharpeners, etc.)

2/3: Soap, combs, hair accessories, toothbrushes, non-liquid hygiene items

4/5: School supplies (pencils, coloring books, notebooks, pencil sharpeners, etc.)

6/7/8: Hats, jump ropes, yo-yo's, small toys, etc.

## Help For Your Child

If you feel your child has need in academic, physical or speech areas let the teacher know. We have access to experts who can do an evaluation.

## Mrs. Wollberg Would Like Your Caps

Please collect all your clean plastic caps from water/pop bottles, milk/cleaning jugs, etc. and bring them to the school office. Holy Cross in Onaway plans to have the caps melted and molded into a buddy bench. About 600 pounds are needed, so don't be shy. Bring every clean cap you have! Thank you for every cap that has come so far.

## Scrip Christmas

If you like to give gift cards as gifts at Christmas, stop by the school office for a list of all the businesses that sell gift cards through our Scrip fund-raising program. You get the full value of the card and the school receives a reward for selling. Profits from Scrip go to the scholarship program.

Next Due Dates for Scrip Orders: November 4 & 18

## Healthy Reminder

Please make sure your kiddos are getting to bed at a good time, eating healthy and keeping their hands clean. Our hope is to keep the children alert and prevent some illness and sick days.
