

Newsletter from St. John's

May 31, 2020

Dear St. John's Congregation,

Your Leadership has done their best to stay on top of this strange and crazy time. Hopefully this newsletter gives some light as we are tentatively planning a return to worship Service for June 14th at 8am, this is a Sunday, for the time being, there will not be a Saturday evening service, again, only Sunday Mornings, 0800am, hopefully beginning Sunday June 14th. With the social distancing requirements, and not being able for the time being to safely alternate weekends with Immanuel Moltke because of their smaller capacity, Pastor Riddle has graciously suggested he would conduct 3 Sunday services, 8am St. John's, 9:30 Peace and 1115ish Immanuel Moltke (depending on what Pastor and Immanuel work out).

So, as long as you don't hear different, please plan on a return to Worship, Sunday, June 14th at 8am, the radio broadcast will also be adjusted to 8am. The Deacon's and Leadership will be working before the 14th to ensure the safest protocol possible for everyone!! If some don't feel comfortable returning, please do what you are comfortable with, the radio broadcast will continue, but again, starting June 14th, that too will be at 8am!

Second: There will be a joint Voters meeting on that same Sunday, June 14th, 2:15pm at St. John's Church for the purpose of the joint Call Committee recommendation to move forward with that the call process!! Please plan on attending that if you can, and we will utilize the entire seating capacity of the Church to ensure social distancing!!

Once the Deacons and Leadership have established the protocol for proper protection/masking etc, there will be another newsletter prior to the 14th of June!

In addition, the 14th will be a non-Communion Sunday with hopes of the following Sunday involving distribution of the Lord's Supper.

This is an update for now, keep all in your Prayers.
