SCHOOL OPENING & CLOSING

For the safety of our students the school doors will only be open at the beginning and end of the school day. If you come to the school when doors are locked ring the bell, listen for a buzz and pull open the door. There will be someone in the office throughout the school day, who will be away from the doors only when necessary and for no more than a few minutes.

7:40am: School doors open for student arrival. Except for special circumstances, please do not come to school earlier than 7:40am. Until 7:40am, school staff is busy preparing for the day and sharing a devotional time together.

7:55am: School begins

2:30pm: Doors open

2:40pm: School ends

IMPORTANT REMINDERS:

- Please call the school office by 8:10am if you know your child will not be coming in to school for that day or will be late.
- Please send a signed note to school with your child for their teacher if they are going home in an unusual way (i.e. picked up by someone new).
- If a child will sometimes be bussed to a location other than their home, parents will need to fill out a bussing form in the school office.
- To ensure their safety, students are not allowed to leave the building during the school day without being signed out by the parent or a responsible adult. Parents should stop by the school office and sign their child in and/or out and request that they be called from their classroom.

PAYMENT PLANS

If you have chosen not to use auto payment for your tuition, you will need to bring us a signed note about how you plan to pay for 2020-21. Notes will be submitted to the Board of Education for approval.
