to lead a student council and meet monthly with them...at lunch? after school?

Plan to Meet & Greet the NLSA Team

We are very excited to have our accreditation review right around the corner. Many from the school staff and congregation worked tirelessly in preparation for this review. Now, we are offering you a chance to help us with the final round. We especially need families to provide their perspective of St. John Lutheran School to the National Lutheran School Accreditation Team.

We are holding a Meet, Greet & Eat Dinner in the St. John Lutheran Church Fellowship Hall on Sept. 21 from 6:00-8:00pm. We would like to have 20 St. John School families in attendance. Four families have signed up, leaving sixteen spots available. You may RSVP on SignUpGenius at the following link:

Students will see the team around the school on September 21-22, including their own Eat & Greets during lunch on both days.

You may also help by providing fresh fruit, veggies and homemade snacks. NLSAT arrives on Sunday, Sept. 20.

Friday Office Duty

The secretary is not in the office on Friday mornings, but still an attendant is needed in the office. An Office Duty Sign-Up has been added to SignUpGenius. More dates will be added soon. Thanks for the help!

A Word about Gradelink

Gradelink is the student information system we use. Parents can use Gradelink to keep track of their child's grades and log in their volunteer hours. Your Gradelink user information was sent home today with your child.

Tally Information: Volunteer Hours

50! No, that is not the age of the principal, but a Gradelink school-wide default for the number of volunteer hours. The number cannot be customized per each family's needs, ergo, we just have to deal with the fabulous 50! Please log the required number of hours that your family needs, and know you can always do more!

How to calculate required number?

5 Day a Week Program = 20 hours per school year

3 Day a Week Program = 16 hours per school year

3 Day a Week Program = 12 hours per school year

2 Day a Week Program = 8 hours per school year

*Scholarship (Tuition Assistance):

Add an additional 20 hours per school year

*Each additional child:

Add an extra 4 hours per school year

How to log Volunteer Hours on Gradelink

- Login to Gradelink.com
(If you have multiple children enrolled, go to oldest)
- Click on the SERVICE HOURS tab.
- Click on ADD ENTRY.
- Enter in your Parent Volunteer Hours.
- Enter supervisor of job/event or teacher's name.

Viola! This form will collect your information and keep a running tally of your family's volunteer hours.
