St. John is a place where faith and family soar!

Thanks for the Apples & Thank You, Mrs. Willey!

If you didn't know why we needed all your apples the answer is cider, cider and more cider! Mrs. Willey brought in her cider press. She did a great job explaining how it works and gave all the students a turn at turning the wheel. It takes a lot of muscle, doesn't it kids? The children drank what they squooshed along with super treats brought by Mrs. Willey. Thank you, Mrs. Willey, for the fun fall experience.

Interested in Zoom Training?

Of course, there is a possibility that a class or the school will have to go digital at some point this year. If the Zoom and other technology intimidates you or you would like to know more about Zoom and the other platforms St. John will be utilizing if we go virtual, we would like to know so we can set up training sessions. Call the school office if a training session interests you.

Sub Sale Orders Due Soon

If you would like to support the "Keep the Fires Burning" program, place your sub order with Joan Altman at 734-2228 or Donna Hopp at 734-4240 by Nov. 2. Proceeds from the sale will help purchase new furnaces for Midland area people, whose furnaces were damaged during the floods. Subs can be picked up on November 8 after the St. John worship service until noon.

Huge Thank You's

To all who helped make our Italian Dinner and Auction a success: helpers, meal purchasers, auction bidders, everyone! We are still wrapping up a couple purchases. We will include a final tally on how we did in next week's news.

Six Kerr Wide Mouth Jars are missing from the Chinese Raffle. They were borrowed, and we would like to return them to the owner. If you accidentally ended up with these jars, please return them to the school. Thanks.

St. John Worship & Sing

We hope you are able to attend worship at St. John Lutheran Church on Sunday, Nov. 8, because we plan to have the children sing and hold a potluck to thank God and St. John Church for all the blessings they provide our school. Worship is at 9:00am and potluck will follow in the St. John School gym. Please bring a dish to pass. Families will receive volunteer hours for the event.

Family Fare Mission to Fill Tummies

Between Oct. 28 and Nov. 8, the SpartanNash Foundation is encouraging store guests in nine states to join us in supporting over 100 local Food Pantry Partners by donating \$1, \$5, \$10 or rounding up their purchase at the checkout lane – with 100 percent of dollars raised earmarked for helping to end hunger in your community. Please consider helping with this important mission.
