CHAPEL & PRAYERS: Thank you, Pastor Wollberg, for leading our Chapel Service this week. At chapel we celebrated the day Joanna Weirauch was baptized and sang Happy Birthday to Ajay Jumper, who has a summer birthday, and Julian Claus, who wasn't here yet for his December birthday. Keep praying this week for the Randolph and Darga families. Please begin praying this Sunday for the Evans family.

Family members may join us for worship any Wednesday at 9:00am.

Thank you, everyone, for being so generous to the food pantry. Offerings for the pantry will continue one more week, so keep the non-perishables and money donations coming.

Young Fives Program – Poll

Young Fives is designed for students who are eligible for kindergarten but require more time to further develop their emotional, social, physical, and/or cognitive skills. Please help us identify a community need to launch a Young Fives Program at St. John Lutheran School by completing and/or sharing the poll we have available at the link below. Thank you!

Hearing & Vision Tests will be administered here in the school by the District Health Dept. on March 18. If your child does not normally attend on Thursdays, you are still encouraged to come for the testing.

Vision will be checked for grades PS, 1, 3, 5 and 7.

Hearing will be checked for grades PS, K, 2 and 4.

If any students have implanted medical devices, such as digitally programmable shunts, baclofen pumps, vagus nerve stimulators, insulin pumps or pacemakers, they will not be screened for hearing. Please let us know, so we can inform the technician. Thanks.

Student Council Advisor Needed

We need someone to meet with students (preferably during lunch hour), monthly or bi-monthly.

Thank you, Lunch Helpers!

If you are able, please pick a day or days and add your name on Sign Up Genius. Your help is appreciated.
