CHAPEL & PRAYERS: Thank you, Pastor Weirauch, for leading our Chapel Service this week. At chapel we celebrated the summer anniversary of Andrew McCreery's baptism and sang with joy over Hunter Degan and Oriella Plume's birthdays. Happy Birthday to you both! Keep the Evans family in your prayers this week, and begin prayers on Sunday for the family of Jack and Heaven Schalk.

Sing alleluia to the Lord! Chapel time is awesome! Family members may join us for worship any Wednesday at 9:00am.

We're Preparing to Make Another Super Summer Childcare Splash!!

St. John's Summer Childcare Program offers children a safe, friendly, Christ-centered environment of fun, learning and inspiration. Splash will run Monday thru Thursdays, June 14 to Aug 26 from 7:30am-5:30pm, closed only July 5. For more information call the office or go to our web site.

If your family is registered for Summer Splash by April 5, 2021, your name will be included in a drawing for the Summer Splash registration fee to be reimbursed. Yay! The Summer Splash handbook and registration forms are available in the office and on our web site.

Hearing & Vision Tests will be administered here in the school by the District Health Dept. on March 18. If your child does not normally attend on Thursdays, you are still encouraged to come for the testing.

Vision will be checked for grades PS, 1, 3, 5 and 7.
Hearing will be checked for grades PS, K, 2 and 4.

If any students have implanted medical devices, such as digitally programmable shunts, baclofen pumps, vagus nerve stimulators, insulin pumps or pacemakers, they will not be screened for hearing. Please let us know, so we can inform the technician. Thanks.

Young Fives Program – Poll

Young Fives is designed for students who are eligible for kindergarten but require more time to further develop their emotional, social, physical, and/or cognitive skills. Please help us identify a community need to launch a Young Fives Program at St. John Lutheran School by completing and/or sharing the poll we have available at the link below. Thank you!
