The School Board is holding a breakfast in the St. John School gym on June 27 from 9:00am-1:00pm as part of the campaign to raise funds for a new heating system at the school. The school's big goal is \$150,000. Every help in getting us there is greatly appreciated. Add activity to chores

Help your youngster get fit while building responsibility. Try these suggestions the next time he does chores.

- **Listen to music.** Make an upbeat "chores playlist" together. Your child can dance while both of you wipe down kitchen counters, dust, or sweep. *Tip:* Bring in math by asking him to estimate how long chores will take and create a playlist to fit that time.
- **Turn it into a game.** To tidy up, each family member is responsible for one room—collecting shoes, toys, books, or papers and putting them where they belong. Set a timer and meet back in the living room when it goes off. Did everyone finish straightening up their room? 🍀
