Welcoming Library Donations

As a retired teacher/principal and now a volunteer librarian at St. John Lutheran School, I am asking for your help. We have many books in our small library but many of them are older books that have been well used.

I recently received a \$250 Thrivent grant which will help purchase about 25 books. I would love to have many more but need your cooperation. Please consider a monetary donation to the Library Fund.

I will also accept books that you may have in your home, but please make sure they are fairly new and in excellent condition. This challenge ends on Jan. 31. Thank you, Mrs. Schalk
