Chapel & Prayers: This week's Wednesday Chapel was a blast in the school gym. Thank you, Pastor Weirauch, for keeping us out of the bitter cold by setting up and leading here in the school. Our birthday wishes this week are given for Sophia Benzer, Adalyn Palmer and Hunter Degan. Happy Birthday to you all! The baptismal anniversary we celebrated was Samuel Raul's. Glory to God! Prayer families this week are the families of Alaia Salgado Evans and Zoey Crawford. Next week, we pray for the Spens family.

This was the last week of collections for Hearts for Jesus. Your every penny made a difference! Through March, we will be collecting new and gently used books for the Reading Month book swap and food pantry patrons, so not just books for children.

Hearing/Vision Screenings for Y5-8

District Health Dept. #4 will be coming to St. John the morning of February 28 to do hearing and vision checks for our Young 5 through Eighth grade students. Please let us know if your child has any Implanted Medical Devices (Digitally Programmable Shunts, Baclofen Pumps, Vagus Nerve Stimulators, Insulin Pumps, Pacemakers). If so, the technician cannot check their hearing.

Collecting for Hearts Ends Monday!

IMPORTANT: Each student **MUST** have a permission form filled out and signed by a parent in order to participate with the final event after school (3-4:00pm) on Monday. Parents will be called to pick up their child if any attend without a completed permission form.

All money must be in by the end of the event!

Quilters/Ironers Are Welcome

Quilters meet the first and third Thursdays at 9:00am. You don't need to sew to be a help. Other important tasks are needed, too. The quilters can always use some ironing volunteers to iron the quilt tops and backs. Quilting help can be done at home or in the church.

**Yay, Lunch Help Is Filled Next Week!
Please, Sign Up for March 7-11. Thanks!**

Trades of Hope: Empowering Women Out of Poverty

Due to extreme poverty, mothers are giving their babies to orphanages. Millions of women are trafficked each day in the U.S. and globally. What if we told you, you could help artisans by purchasing their fair trade goods and providing sustainable jobs? Your purchase create demand, which enables them to make a steady income. Join Alison Lamb, Trades of Hope partner, and hear how you can make a difference empowering women. She will explain how purchasing ethically-made lines of home accessories, jewelry, coffee and more, gives women a respectable way to feed, clothe, house and educate their children.

Riconda Lamb is hosting a dessert and learn Monday, February 28, in St. John's fellowship hall.

(Handicapped accessible.)
