**Chapel & Prayers:** This week the school celebrated Holy Week with our annual Passion Walk, and the community was invited to take the Walk with us at 11:00am. The middle school students did a wonderful job preparing for the Walk and leading everyone through to Jesus' glorious resurrection.

The 6-8<sup>th</sup> Grade Class also put together a set of Resurrection Eggs for each of the students. Make sure you have your child pull out their eggs to share the most important event in history with you and everyone, who wants to know more about the blessed empty tomb.

Next week at Chapel, we will celebrate this week's birthdays, baptisms and prayer families. Happy Birthday, Kade Karsten, Jaxtyn Palmer and Olivia Spens. We pray you have an awesome year ahead. We sing alleluia for the baptismal anniversaries of Emerson Kleiber and Max McCreery.

Our prayer families this week are the Evans And Wirgau families, but we are going to pray over them one extra week, because we didn't get it announced last week. Next week, also keep the Berg and Mertz-LaFleche families in your prayers.

*From Alex Claus: "I have never witnessed as much joy and excitement about Jesus come out of my five-year-old as I did yesterday after resurrection walk. He talked for hours about Jesus and everything he learned from the other students. I couldn't be more thankful to the school, staff and students who are walking with and helping Julian to grow in his Christian walk." Julian's direct quote: "That was the most fun day ever!"*

**Prayer List:** Please hold in your prayers the Palmer family in the loss of a wonderful mom and grandma.

**Special prayers also for:**

Ruby and Owen's mom, who continues to endure difficult and tiring treatments.

Mrs. Cooley and the sweet baby boy growing in her belly.

**April Offerings** are boxes of cereal for the food pantry, but before they get there... Do you enjoy a good domino run? If so, bring in as many boxes as you can.

**St. John Lutheran School provides families a Christ centered, student focused, academically excellent education for diverse learners.**

***St. John is a place where faith and family soar!***

## Let Scrip Help You with Tuition

Purchase gift cards to use at your favorite gas station, restaurant, grocery, beauty product, sports or home improvement stores to help with your family's tuition cost or increase the St. John Lutheran School Scholarship Fund. The full value you pay is the amount you are able to spend. Thanks for your support. If you have any questions, contact Monica at 989-766-8114.

## Raffle Committee Wants You

Please, consider joining the raffle committee. We are looking for two parents, who will have students at St. John for a few more years. Reason being, there is paperwork for the State of MI that requires the signatures of parents with St. John children. The current committee members are Monica Fleming and Rick Wagner. They are well-versed in the needs of the state, and plan to remain on the committee, but Monica does not have a student in the school and Rick's daughter will be graduating from St. John next year.

The raffles the committee is responsible for are the ones held during the Italian Auction and Dinner event that is held in October each year. The raffle committee is in charge of planning, set-up, and take-down of the Chance, 50/50 and 52 Card raffles, as well as keeping the raffle license up-to-date. Contact Monica at 766-8114 or Rick at 423-715-5669 if you have any questions about what a role on the committee entails.
