Chapel & Prayers: Thank you, Pastor Lemley, for preparing another inspirational Chapel Service. One birthday this week: Happy Birthday, Aurora! And, three anniversaries of baptism: Braxten Bates, Evelyn Kleiber and Sophia Benzer. We hope you always remember God's precious gifts with joy.

Lyndon Saucier's family is our prayer family this week. Beginning Sunday, we will pray Hunter Lung and Clayton Avra's families.

BIG THANK YOU TO PARENTS!

First: The teachers and staff thank you for the wonderful week of appreciation gifts, treats and surprises. You definitely made it a joyful week for all of us.

Second: We are grateful to our Parent Teacher League (That's you, parents!) for helping raise funds to keep our school thriving. Below are some highlights:

The PTL is covering the cost – up to \$20 a student – for field trips. This is a very generous gift that would not be possible without supportive generous parents, who support our school and all of our students.

The PTL has agreed to fund a refreshing and renewing project for the gym and the office. Those transformations will be happening over summer. The revitalizing will include new furniture and paint. We'll be sure to post some pictures!

Additionally, the PTL has agreed to pay for some new science materials and supplies. We will be purchasing new triple beam balances, digital scales, and some really neat techie cubes. If you want to know more, Mrs. Puro is the lady to ask.

Interested in Middle School Band?

Don't forget to attend the informational Q&A with Mr. Fults at RCAS on May 10 at 5:00pm.

If you are unable to attend the meeting, Mr. Fults can be reached by phone at 989-734-9170 Ext. 5140 or through e-mail: jack.fults@rcashurons.org

St. John Lutheran School provides families a Christ centered, student focused, academically excellent education for diverse learners.

St. John is a place where faith and family soar!

2022-23 Scholarship Requests

If you hope to have tuition assistance for the upcoming school year, we encourage you to fill out a scholarship application now. It helps us sort out distribution and can help you make decisions about the year ahead. You do not have to be registered for the upcoming school year to submit a scholarship application that the Board will review. Applications are available in the school office.

NWEA: Prep With Healthy Habits

NWEA testing begins next week and will continue on and off for the next three weeks. That probably sounds like an awfully long time to test, but the students will not be testing every day. The tests will be scheduled around everything else that is planned for the rest of the school year, including some fun field trips.

For the remainder of the year, we encourage you to have your children get plenty of sleep and to fuel up each morning with a good breakfast that includes protein. Healthy habits help students have smoother, happier days.
