**Chapel & Prayers:** Thank you, Pastor Lemley, for leading our Wednesday Chapel Service this week. We celebrated Maisyn and Jase's birthdays. Happy Birthday, you two! Our baptismal anniversary was Avery's. Thank you, Lord, for you many blessings!

Don't forget the Bailey family, when you are praying this week. Next week's prayer family is the Evans family.

The amount of baby offerings you brought for Options Pregnancy Center and the Baby Pantry was amazing! Thank you for your gifts.

**February begins a mission** to help Hearts for Jesus raise money for World Mission. Our focus will be Matthew 28:19, *"Therefore go and make disciples of all nations..."* A program has been provided that will take us on an adventure to four remote areas of the world, where many people haven't heard of Jesus. Our noisy offerings will help World Mission provide audio Bibles for people in the language they speak.

**February 1:** Bring Pennies

**February 8:** Bring Dimes

**February 15:** Bring Nickels

**February 22:** Bring Quarters

## More High School Planning

The next meeting will be held at 6:00pm on January 30 at the Posen library .

## Scrap Metal Has Been Blessing

**Scrap Metal for 2022 raised \$35,358.45**

The Scrap Metal fundraiser is looking for a person or persons to be mentored to handle the fundraiser. Per Ken, June is when he will no longer be doing the fundraiser. Please, send your thoughts and ideas to 989-766-8114. Please, keep this fundraiser in prayer to find the person or persons to share their talents, time, and ideas to continue being able to award tuition assistance through scrap metal. There is a very generous community out there, who enjoys supporting St. John's Mission to Christ, which is PRICELESS!

## Getting Ready to Do Spring Campaign

The Spring Campaign is a fundraiser for the school's heating system. Many generous donations have been given, but we need more to reach the goal. Contact Monica at 989-306-0003 if you have questions or would like to help. A big portion of the fundraiser is preparing letters to mail.

This is accomplished through an immersion in a Christian environment, purposeful friendship, academic excellence, and connectedness as learners prepare for service to God and others.

# In-House Step-Up Day

January 31, 9-10:30am

On Step-Up Day, students that will be moving into a new classroom next year will get to step-up to their next classroom for a little while. They will be hosted by the students, who will remain in the same classroom. Example: current fourth graders will host the up-and-coming fourth graders. Step-up is a way to help students feel more at ease with the next chapter of their educational lives.
