Chapel & Prayers: Thank you to the Middle School for leading our chapel on Wednesday. There will be no chapel on Wednesday, May 31, but everyone is invited to our Closing Chapel at 9:00am on Friday, June 2.

This week, we celebrated the rest of our birthdays and days of baptism. We have a lot to celebrate! To Raelynn R., Dane, Hudson and Layton we wish very Happy Birthdays!

With much hope we praise our God for the special days, when Chase, Ace, Cadence, Raelynn C., Leigha, Liam and Kylie were baptized!

Our prayer family this week is the family of Brooklyn and Peyton. Next week and through the summer we hope you will pray for all of our St. John families.

Keep Gifts Coming for the Humane Society!

Thank you for your great generosity.

St. John is a place where faith and family soar!

Founded in 1916, St. John Lutheran School is a Pre-K through Grade 8 center of learning that provides diverse learners a Christ-centered, learner-focused, academically excellent education and is dedicated to child well-being so that learners prioritize personal academic growth focused on spiritual, emotional, social, and physical wellness. This is accomplished through an immersion in a Christian environment, purposeful friendship, academic excellence, and connectedness as learners prepare for service to God and others.

Please, let us know if you are willing and able to be a lunch aide or librarian for us, during the 2023-2024 school year.

Are You a Thrivent Member?

If so, please connect with Mrs. Langlois in regards to Action Grants. Most people utilizing Thrivent products qualify for two grants (\$250 each) annually. These simple grants can be used to help off-set school project expenses and lessen the burden on our operating budget all while growing our ministry.

Time slots start at 2 p.m. in the school library. You don't need to be part of the summer program to sign up (let your friends know!). Learn to play the guitar, keyboard (piano), ukulele, or violin. Learn more about singing and playing rhythm techniques, too!

The cost is \$20 per week for each 30-minute one-on-one lesson. Learn with a friend! Small group lessons are also available. Cost varies by instrument and the amount of time spent together per lesson. Text or call Donna at 989-306-3951 for more information and to sign up for your time slot!

What Is CPH Reads?

It's a summer reading program that's all about Jesus.

CPH Reads encourages kids to read all summer long, experiencing great books and learning more about their Savior! It also encourages parents to be involved in their children's spiritual lives.

The program runs **May 31–August 11, 2023**. Anyone who completes the challenge by August 11 will be entered for a chance to win awesome prizes.

What is the challenge?

Participants are challenged to read about Jesus for 1,000 minutes this summer. The challenge is designed with the hope that parents will be actively involved in their children's faith development through the CPH Reads program.

You can encourage summer reading about Jesus:

1 Distribute the bulletin insert to the students—it is designed to be easily reproducible in black and white.

2 Hang up the promotional poster.

3 Watch your students grow in their reading skills and knowledge of Jesus!

Students can get started reading about Jesus:

1. Go to cph.org/reads with an adult to get started.
2. Pick a book to read.
3. Start reading!
4. Log minutes by August 11.
