St. John is a place where faith and family soar!

Founded in 1916, St. John Lutheran School is a Pre-K through Grade 8 center of learning that provides diverse learners a Christ-centered, learner-focused, academically excellent education and is dedicated to child well-being so that learners prioritize personal academic growth focused on spiritual, emotional, social, and physical wellness. This is accomplished through an immersion in a Christian environment, purposeful friendship, academic excellence, and connectedness as learners prepare for service to God and others.

PTL Needs You!

Our next meeting will be held on Wednesday, November 8 at 6:00pm. Looking for ideas and leaders to help navigate our team! Families get volunteer hours.

The PTL was created to bridge the parents, teachers and students of the school together to instill a sense of community. To assist the school in creating the best possible Christ centered environment for students to grow and learn. To complete and follow through with fundraising and fellowship opportunities to ensure the sustainability of the above referenced objectives.

We (the PTL) are so excited to serve alongside you (parents) in providing fellowship and friendship while creating opportunities for the students and teachers of St. John Lutheran School.

When someone says: "Come join us at the PTL meeting," do you feel like what you really hear is: Come sign up for some work you don't have time for?

If YES, then this is the PTL for you! We have opportunities for everyone regardless how packed your schedule is. Take a break from your busy schedule and join us at a meeting. Help us brainstorm ideas or vote for budgetary spending and walk away with ZERO homework! Or... volunteer a few hours at an event where it's no more commitment required than showing up on time. Or... take a stab at Chair or Co-chairing an event and bring your creative spirit and new ideas.

No matter your reason, we hope you take the opportunity to join us at a meeting and learn more about the SJLS PTL at 6 pm, Wednesday, November 8.
