Chapel & Prayers

Thank you, Pastor Lemley, for leading chapel this week. Chapel feels extra special these weeks we are preparing for Christmas!

Happy Baptism Anniversary, Wyatt & Hudson!

Happy Birthday, Brooke!

We are praying for the Wickersham family this week and for the classmates we are missing, who are out with illnesses. Next week, we will remember the Romels in our prayers.

Hoping for Biggest & Noisiest Chapel of Them All on Dec. 20!

Offerings in December will go to Heifer.

Bring your quarters to chapel this week!

Let's make a joyful, love-our-neighbors racket!

Save the Dates:

Dec. 20: 5/7pm Advent Sup/Service at St. John

Dec. 21: 11:50 Dismissal

Dec. 22-Jan. 2: No School

Dec. 24: 5pm Children's Service at St. John

Dec. 25: 9:00am Service at St. John

HEIFER Excitement Is Filling the School!

St. John's students and staff are very excited about bringing enough coins to chapel to purchase animals, through Heifer, for people who need them. Ask your child what animal or animals they are hoping for and if they remember how much each animal costs.

Heifer International provides animals, agricultural training and knowledge of animal husbandry to impoverished communities around the world. The plan of Heifer is to help end hunger by getting resources into communities that will help them become self-sufficient.

Wednesday, December 20 is the last day St. John is collecting for Heifer, but it is also a great family mission. Go to Heifer.org if you would like to do more.

Hats, Mitts, Gloves, Holidays!

It's the season for needing multiple pairs of hats and mittens – socks and a whole extra set of clothes is not a bad idea either. The students have a better day, when they are comfortable in work and play. Also, don't forget to have your child's snow gear go home for the holidays next week 😊

St. John is a place where faith and family soar!

Founded in 1916, St. John Lutheran School is a Pre-K through Grade 8 center of learning that provides diverse learners a Christ-centered, learner-focused, academically excellent education and is dedicated to child well-being so that learners prioritize personal academic growth focused on spiritual, emotional, social, and physical wellness. This is accomplished through an immersion in a Christian environment, purposeful friendship, academic excellence, and connectedness as learners prepare for service to God and others.
