

State Shoebox Project

Each family will choose a state to create their State Fair project.

Materials Needed:

- 1 empty shoebox (or similarly sized box)
- Arts and crafts
- Creative minds
- Light research

You must display the following on your box

- Map of your state
- State's name and nickname
- State capital
- State bird
- State tree
- State flower
- State flag
- Famous person from state
- State motto
- State industry
- State agriculture

More ideas to include but not limited to...

Animals, attractions, weather, symbols, landmarks

You may add any additional information about your state that you wish. Be sure to use a variety of materials and remember: You are the designer! We encourage families to work together to complete this project and have fun researching together. So, take your time and be as creative as you can be and enjoy some family time.

March 23rd all of the state shoeboxes will be on display for the State Fair at St. John's Church from 4-6 pm. The Board of Christian Education will be providing a Soup Supper and Sandwich for everyone who attends. A SignUpGenius has been created if you would like to let others know the state your family has selected, however, duplicate states are acceptable. Families may also notify the office of their selected state.
