

St. John Lutheran School Fundraising Opportunities

RaiseRight Gift Card Fundraising Program

Raise funds towards your child's tuition or the St. John Lutheran School general scholarship fund by buying gift cards from RaiseRight to pay for your everyday shopping and spending year-round. You can use gift cards for groceries, dining out, home improvement, and everything in between. It's the most convenient and effective way to fundraise because earning becomes part of your everyday life.

How it works:

- Buy gift cards at full value from 750+ brands (view available brands at www.raiseright.com/brands). Pick from eGift cards and physical gift cards.
- Every gift card purchase instantly earns up to 20% (6% average) deposited directly into St. John Lutheran School's account to be applied to a specific student's tuition or the general scholarship fund. The earnings come directly from the brand—it's their way of supporting community groups like ours.
- Use gift cards at full value for your everyday purchases. You can also send them as gifts!
- Watch your fundraising account grow throughout the year, thanks to the brands that give back to support your community!
